STREET LIGHTS PLANNED FOR LOS CERITOS TRACT; HEAVY BUILDING SHOWN

The installation of at least seven street lights in the Los Ceritos tract, near Baden station, for the benefit of the dozen or more families living in that district, is contemplated by the Board of City Trustees of South San Francisco, following a meeting of the Board in the city hall Monday night.

In accordance with instructions from the trustees, City Clerk Daniel McSweeney wrote a letter to the Pacific Gas and Electric Company relative to the decision of the board in this matter. The necessity for such lights was pointed out at the trustee's meeting by Henry Scampini, chairman of the Street Committee.

It is proposed to "have lights placed on El Camino Real at First, Second and Third streets, and also on B street, at the intersections of First, Second and Third streets. A light will also be placed at the Southern Pacific and United Railways crossings on Mission Road.

REPORTS FILED

The following reports, covering activities of the various departments of the city's government during December, were submitted to the board:

W. W. Brown, building inspector, reported that there were 12 building permits issued in December at an estimated cost of \$188,920. During the period from February 20, 1923, when Brown took office, to December 31, 1923, there were 127 building permits issued, which represented \$577,837, the report stated.

B. H. Truax, chief of the fire department, reported one small fire and one false alarm.

E. P. Kauffmann, city treasurer, reported the balance on hand in the general fund as being \$25,451; for the anti-tuberculosis fund, \$129,855; and for the library fund, \$1,989.03.

Dr. J. C. McGovern, health officer, reported one case of measles for the month.

TWENTY ARRESTS

There were 20 arrests made by the city marshal's office last month, the report submitted by City Marshal C. C. Conrad stated. Five were made for disturbing the peace; 4 for intoxication; 3 for vagrancy; 3 for violations of the traffic laws; 3 for grand larceny; 1 for murder; Three stolen automobiles were recovered; one stolen from San Francisco police and a machine which was stolen in South San Francisco was also recovered. No burglaries were reported.

A financial report was submitted by City Clerk McSweeney.

FIREMEN WANT DAY OFF

Firemen on duty at the city hall wish one Sunday a month off, one for the day watch and one for the night watch, according to a communication handed to the trustees Monday night. The communication bore the signatures of firemen Thomas Schmidt and J. D. Randebough. The matter was referred to the chief of the fire department.

That he has agreed to sell his pool hall at 228 Grand avenue to J. Monconi pending the transfer of the license to the latter, was

FORMER BANKER DIES IN CRASH

COLMA—G. Capurro, former official of the Bank of Italy at Colma, and first president of the Colma State Bank was killed near Stockton when a machine in which he was riding overturned Sunday.

Henry Martin driver of the machine was badly cut and bruised. Capurro, who has lived in Colma for a number of years, is well known in San Mateo County. He leaves besides his wife Theresa Capurro, four children John, Frank, Bonnie and Theresa Capurro. His funeral was held Wednesday from the parlors of Valente, Mar 412, Peralta & Co., 4448 Mission Street, thence into Corpus Christi Church, where a solemn requiem high mass was celebrated for the repose of his soul. Interment took place at Holy Cross Cemetery.

SCHOOLS REOPEN THIS WEEK; NEXT VACATION EASTER

South San Francisco schools reopened Monday after being closed for the holiday season. The next vacation period of any length will be during the week preceding Easter.

APPEAL NOTICE FILED BY KANE

Notice of appeal in the case of A. J. Kane, San Francisco detective who was found guilty in South San Francisco by Justice of the Peace Ray Griffin on a charge of disturbing the peace and fined \$25. Kane has been filed in the office of County Clerk Elizabeth M. Kneese. Kane's attorney, Robert Duke, served notice of appeal from the decision.

TO MAKE REPORT ON MEMBERSHIP DRIVE IN MERCHANTS' ASSN

The next meeting of the Merchants' Association of South San Francisco will be held January 16, when a report of activities in connection with the membership campaign will be made. The committee in charge of the drive, as previously announced, has the following members: H. A. Cavassa, Edgar H. Lewis, Robert Speed and A. T. Arndt.

OLD RAILWAY MAY BE USED AS HIGHWAY ROUTE

REDWOOD CITY, Jan. 10.—Definite plans looking toward the securing of the right of way of the defunct Ocean Shore Railroad, from Rockaway Beach to Montara, for the purpose of utilizing it for the construction of a new highway to aid the Coast highway from San Francisco to Santa Cruz, were taken here Monday when the San Mateo County Board of Supervisors appointed a committee of three outside citizens to investigate the possibilities of securing such right of way. The committee so named includes Alvin S. Hatch, Dr. C. L. Morgan and Dante Dianna.

TO REPAIR SIDEWALK

A letter calling attention to what was described as the "deplorable" state of the sidewalk along the property of the Metal and Thermite Corporation following recent rains was received by the trustees of the corporation's plant here, The Metal and Thermite Corporation, the letter stated, had been assessed the sum of \$4,416 for the improvement of the sidewalk, and the result did not justify such expenditure, according to Kardos, who asked that repairs be made. The matter was placed in the hands of the proper authorities. It is believed that a better drainage system will remove cause for complaint.

The trustees granted a request from Joseph Welte, president, and Joseph B. Kent, secretary of the Crystal Social Club to allow dancing until 2 a. m. on the occasion of the club's initial dance at Fraternal Hall Saturday night, January 19.

A report covering a check on the city's cleaning of certain streets was made by City Engineer George A. Kneese, who made an investigation with Clarence Hock. The latter had been employed to do the work.

The board received a check for the sum of \$25 in payment for rent of a water wagon owned by the city which had been used by the General Construction Company. The original fee was fixed at \$25, but this was subsequently reduced to \$1 per day.

Licenses to conduct soft drink stands in South San Francisco were issued to the following: Henry G. Scampini, 304 Grand avenue; Casimir Christen, 12 Mile House; A. Marrani, 238 California avenue; G. Galli, 224 Grand avenue; H. Y. Glesias, 314 Linden avenue; Richard E. Selter, 239 Grand avenue; Angelo Zencovich, 316 Grand avenue; Enrico Ghilardi, 263 Linden avenue; F. Brouchini, 206 Grand avenue; A. Bertalucci, Grand avenue and San Bruno road; A. Ferrari, 160 Grand avenue; L. Bartoli, 204 Grand avenue; J. Cervantes, 30 Grand avenue; R. Davis, 205 Grand avenue.

Trustees F. A. Cunningham, A. J. Eschebach, J. W. Pitt and H. Scampini were present at the meeting. Trustee G. H. Holston was absent. The board adjourned until January 14 at 7:30 p. m.

LEGION OFFICERS INSTALLED HERE FOR 1924

Bernard McCaffery Post Looking Forward To Active Year

A program of work for the new year will be outlined at a meeting of Bernard McCaffery Post, American Legion, Friday night. New life has been instilled into the South San Francisco post and 1924 will see much accomplished in the way of Legion activities, say Legionnaires.

The newly elected officers were installed last Friday night. A. Welte is commander; P. J. Bowler, first vice-commander; E. Miller, second vice-commander; D. W. Highland, adjutant and O. Bissett, sergeant at arms.

H. Koop is the past commander of the post.

SIGNBOARDS TO ADVERTISE CITY

Three signboards to direct motorists to South San Francisco will soon be erected at advantageous spots along the highway. This is according to Dr. F. S. Dolley, chairman of the billboard committee of the South San Francisco Chamber of Commerce, who made a report at a meeting of the board of directors of the chamber Tuesday night. It was stated that the signs are in the shops of Foster & Kleiser now for painting. When erected, they will be illuminated at night. The signs are 15 feet by 60 feet in size and bear the slogan, "Where Rail and Road Water Meet."

One will be placed near Cypress Lawn Cemetery, and one at the north and south entrances of South San Francisco on the San Bruno road.

D. R. Phelps, secretary of the chamber, told the directors the city trustees were taking steps to get the street signs which were asked for by the chamber of commerce at a meeting on December 11.

The Royal Supply Company, co-operating with the board of directors, has made arrangements to secure automobile plates bearing the name South San Francisco, which, it is expected, will be ready for sale by the time the new license plates are out. Henry Haaker was named a committee of one with the power to make any nominations for directors of the United States Chamber of Commerce at the western district convention on January 29.

B. H. Truax and F. A. Cunningham were appointed members of a committee of two to act with the secretary in answering replies to letters sent out by the chamber of commerce to out of town persons who own vacant lots in South San Francisco, urging that homes for rent or sale be constructed on them. Replies are coming in daily, it was said.

SOUTH CITY BIRTHS LEAD DEATHS, 3 TO 1

Nearly a hundred new residents were brought to South San Francisco by the Stork during the year 1923. According to records in the office of City Clerk Dan McSweeney, there were 97 births reported here during the past 12 months.

The number of deaths recorded for the same period is 34.

TO FACE LARCENY CHARGE IN COURT

Charged with an attempt to commit larceny, Carl Kordel will appear before Justice of the Peace Edward Farrell Friday morning at 11 o'clock as defendant in a complaint sworn to by W. J. Watson of Lomita Park. The complaint alleges that the defendant attempted to rob the Lomita Park Garage.

advisability of installing an electric motor for the well there, with the result that the board named Mrs. Brown and Supervisor Thomas Hickey as a committee to take up the matter with the Spring Valley Water Company and the Electric Light Company.

Application of Constable W. H. Moore of the fifth district for the installation of two telephones was granted.

Supervisor Rosalie M. Brown brought to the attention of the board the matter of providing adequate water supply for the old County Farm. She suggested the

HUNDREDS PAY TRIBUTE TO LAMPKIN

Late Sheriff Borne to Rest in Cypress Lawn Wednesday

REDWOOD CITY, Jan. 10.—Sheriff H. W. Lampkin was laid to rest Wednesday afternoon in Cypress Lawn Cemetery at Colma. Borne by the hands of friends and fellow officials with whom he labored in the interests of San Mateo county, the mortal remains of the deceased officer were carried to their final resting place following funeral services. The impressiveness of which has seldom been equaled in this county.

The services were conducted from the local Odd Fellows' hall in Main street, with that fraternal body conducting its long established rituals for the dead, impressive in their very simplicity.

After an official closing proclamation had been issued, this county seat during the period of the last sad rites for the departed officer, while throughout the entire ceremony all courts and other public offices were temporarily closed in tribute to the sheriff's memory.

Redwood City has yet to see a larger concourse of sorrowing friends at the bier of a deceased than that which yesterday afternoon jammed its way into Odd Fellows' Hall and overflowed into Main street, where many awaited the formation of the funeral cortege that accompanied the remains of Sheriff Lampkin to Cypress Lawn Cemetery.

Acting as an honor guard that cleared the way for the passing of a dead sheriff's funeral procession eight motorcycle officers, four from San Francisco and one each from Mayfield, Palo Alto, San Bruno and Redwood City, rode at the head of the long line of machines that bore sorrowing relatives and friends to the burial place.

An impressive feature of the funeral procession was the appearance of the Redwood City fire department, including the vehicular apparatus, decorated in greenery. At the grave, as at the ceremonies here, the Odd Fellows were in charge of the simple rites. The membership of that organization, of which Lampkin was a member, and of the Elks, Eagles and Native Sons lodges, which he was also a member, were present in large numbers. Floral tributes bespeaking the esteem in which San Mateo county residents held their sheriff abounded in profusion about the bier in Odd Fellows' hall and later about the new grave in Cypress Lawn. There were elaborate floral pieces from many organizations, communities and individuals.

Honor Leader

Among the active pallbearers who bore Sheriff Lampkin to his last place of rest were two of his subordinate officers during his one year in office: T. C. McGovern, now sheriff, and Deputy Sheriff Joseph Meeks were listed among the honorary pallbearers.

Other active pallbearers were County Purchasing Agent E. H. Werder and Town Trustees H. A. Beeger, who were both with the sheriff at the hour of his demise; Dr. C. V. Thompson, chairman of the county board of supervisors, and Richard Vilhus, many years a close personal friend of the deceased sheriff.

Honorary pallbearers, as named yesterday, were Superior Judge Geo. H. Buck, District Attorney Franklin Swart, Judge Ellis C. Johnson, Deputy Sheriff Joseph Meeks, City Recorder Albert Mansfield, Supervisor John MacBain, Walter T. Kellogg, Martin Poss, Howard S. Dado and Alvin S. Hatch.

Surviving Sheriff Lampkin are his aged father and mother, Mr. and Mrs. Henry S. Lampkin; his widow, Mrs. Harriet I. Lampkin; three children, Nyda E. Douglas, B. and Arthur W. Lampkin, and one sister, Mrs. Bertha McDonald.

The funeral services were under the direction of the James Crowe Undertaking Company.

On the first anniversary of the day when he took the oath of office, Sheriff Heber W. Lampkin of San Mateo died in the Palo Alto Hospital at 5:15 o'clock this morning, as a result of complications. (Continued on Page Two)

INFORMATION IN 6 FELONY CASES FILED

(Special Dispatch)

REDWOOD CITY, Jan. 9.—Information charging felonies against six persons was formally filed in the Superior Court here Wednesday by District Attorney Franklin Swart. Arraignment of the six alleged offenders will follow today before Superior Judge George H. Buck.

Information was filed jointly by the district attorney against John Silva and Martin Stone, charging them with first degree robbery. The information outlines the hold-up of B. G. Stock, San Francisco jitney driver, by Silva and Stone on the morning of December 28. The men have admitted their guilt.

Information against H. C. Benedict, Jr., of Palo Alto, on two felony counts, one of felonious assault with intent to do great bodily harm and the other failure to stop and render aid to an injured victim following an auto accident, was filed by Swart, the charges being the outgrowth of the running down by Police Officer Edward McAuliffe by Benedict on the morning following the Stanford-California game last November. Benedict will fight the charges.

Burglary in the second degree is charged to A. J. Rind in information filed, he being alleged by the district attorney to have entered the home of Rose Giannini of South San Francisco on November 20.

James E. Joseph is charged with driving off an automobile without the permission of the owner, with intent to steal, in the fourth information filed. Henry Haaker is the owner of the car in question. Pat Figueroa is the sixth against whom information was filed in the Superior Court today. He is charged with driving an automobile on El Camino Real in an intoxicated condition on December 23.

All of the informations filed were filed with County Clerk Elizabeth M. Kneese.

P. G. & E. EXTENDS GAS SERVICE IN BAY SHORE TRACT

VISITATION VALLEY—The Pacific Gas and Electric Company is arranging for the placing of a large crew of men to work here in connection with the laying of mains in the Bay Shore Suburban tract which is being opened up by Ratterre Brothers.

The laying of this new main will involve the expenditure of \$2,373.59 and will serve sixteen applicants and make service available for others in the district.

SOUTH S. F. FIVE PLAYS PALO ALTO CAGERS TOMORROW

South San Francisco's 130-pound basketball team will battle Palo Alto High on the Embury basketball court at Palo Alto tomorrow afternoon at 4 o'clock. The Windy City preps have not entered a team in Division A of the Peninsula Athletic League, but it is likely that the Palv unlimbed will play a practice contest with Seale Academy.

Missing Chapters of 'The Brown House' May Be Had on Application

Subscribers of the Enterprise who desire to read the chapters of "The Brown House," a serial started in this paper, may have them mailed by applying to the Enterprise office within the next week. Owing to the demand for space by the news, it will be impossible to continue the serial story in the paper. This arrangement, however, it is believed will be satisfactory to all.

PREDICT EXTENSION OF MAIL DELIVERY SERVICE; POSTAL BUSINESS BRISK

That carrier service from the South San Francisco post office may be extended to Peck's Lots by July 1, 1924, was the belief expressed today by postmaster L. C. Hardy. While nothing definite is known at the present time, according to Hardy, it is believed that such an extension will be brought about before many months have passed. A steady increase in population and in the volume of business transacted are given as the reasons for the prediction.

SNELL TO FACE MURDER CHARGE IN COURT HERE

Carl Snell, Oakland printer, will appear before City Recorder Walker Friday for his preliminary examination on the charge of murder, following the death on last Thursday in South San Francisco of his father-in-law, Anthony S. Benson, shot by Snell, it is alleged, on December 26. The shooting occurred in Peck's Lots, where Benson resided.

It is expected that Snell will enter a plea of self defense when he faces the court on the murder charge.

Corner W. A. Brooked conducted an inquest Friday at the undertaking parlors of S. Nieri & Co., when a verdict was returned by a jury of South San Francisco citizens to the effect that Benson came to his death from a gunshot wound inflicted by Carl Snell.

Mrs. Benson, Snell's mother, who was present when her husband was shot, testified that she attempted to prevent the shooting by jumping in front of Benson as he returned from work. She threw her arms around him, but Benson broke away and as he ran, her son is said to have fired the shot which resulted in his relative's death.

Other witnesses at the inquest were Dr. F. S. Dolley of the South San Francisco Hospital, and Fire Chief B. H. Truax.

The shooting was the result of an old feud, it is believed. Snell has been confined in the Redwood City jail since the shooting.

Funeral services for Benson were held Saturday afternoon at 1:30 o'clock from the parlors of S. Nieri & Co., Internment was in Mount Olivet Cemetery.

DOES SOUTH CITY NEED ADVERTISING?

By D. R. Phelps

Secretary of South San Francisco Chamber of Commerce

Does South San Francisco need advertising? If we take one definition as being true, advertising is telling the other fellow who you are, what you've got and who you are going to do with it. South San Francisco does need that kind of advertising.

One Way to Do It

The first and easiest way is to "tell the world" by boosting South San Francisco every time you get a chance. Tell them we have a good town, let them know that our population is over 6,000 and increasing daily; say something about our large industries—you know they are paying out over \$200,000.00 in payrolls weekly. How many of your friends know that the San Francisco Bay region is the cheapest place on the Pacific Coast to live? Sure it is, but the cheapest place in the Bay region to live is South San Francisco. Tell them about it. Rents are cheap in South San Francisco compared to other places around the Bay. Some say lots are high here, but where else can one build a four or five-room house and pay for both house and lot with a \$4,500 check?

Tell Yours Friends

Write your friends and your relatives about California and South San Francisco. Give them names to the chamber of commerce and it will send them literature and information about South San Francisco and our State. Point with pride to our name and slogan on the hills back of the city. We are the only city in California that has such a sign. We will be among the leaders to use the new kind of spirit.

BALLOTS FOR USE IN C. OF C. VOTE READY

Polls Close January 15; Officers, Directors to Be Elected

BalLOTS were ready this week for the annual election of officers for the South San Francisco Chamber of Commerce. Instructions accompanying the ballots were as follows:

"Place an X opposite the name of the candidate for whom you wish to vote. If you wish to vote for a person whose name is not on the ballot, write in the name. Such persons must be members of the Chamber of Commerce. When the ballot is completed enclose in the blank envelope, place the blank envelope in the numbered envelope and either mail or place in the ballot-box at the office of F. A. Cunningham, 219 Linden avenue, before 8 a. m. Tuesday, January 15, 1924."

The following names appear on the ballot: for president, W. H. Dinning, South City Lumber Company, and Ambrose McSweeney, county tax collector; for vice-president, L. C. Hardy, postmaster, and Dr. J. C. McGovern, dentist and health officer; for treasurer, Henry Haaker, Bank of South San Francisco; and for directors, of which there are five to be elected, Dr. F. S. Dolley, physician; F. A. Cunningham, real estate; V. Boldo, South San Francisco Bakery; Al. J. Eschebach, Royal Theater; George W. Holston, Citizens National Bank; E. P. Kauffman, express company; J. J. Jennings, pharmacy; W. H. Seibecker, Pacific Car and Equipment Co.; H. F. McNellis, mechanic; P. Santini, clothing and Robert Speed, printing.

DEPOT HERE NOW IN S. F. DIVISION

Keep South City money in South City. This is the advice of A. L. MacKenzie, passenger agent of the traffic department of the Southern Pacific Company, who was on business here during the forepart of the week. MacKenzie addressed his words particularly to persons contemplating trips outside of the state, who are now offered an improved ticket selling service.

This improved service has been brought about largely through the transfer of South San Francisco from the San Jose division to the San Francisco division, which was effected January 1, according to MacKenzie. The peninsula limit of the San Francisco division is now at San Bruno. Through this shift, the management of this part of the San Jose division passes from the hands of E. Schillingsburg, district passenger agent of that city, to J. N. Harrison, district passenger agent of San Francisco.

"Tickets bought in South San Francisco mean that much more money is spent at home," says MacKenzie. "The tourist is assured of a choice of routes and the same service as he would obtain in San Francisco."

ELECTRICIAN CHARGED WITH EMBEZZLEMENT

(Special Dispatch)

REDWOOD CITY, Jan. 10.—Charged with embezzlement of an automobile belonging to the Clifton Motor Company of this city, W. R. Perry, 21, an electrician, was returned to Redwood City Tuesday from Los Angeles by Police Officer Edward McAdams, who Sunday went to the southern metropolis to take charge of the prisoner.

The youth has confessed to the charge against him.

Perry was taken into custody for the local police on telegraphic advices forwarded to Chief of Police August Vollmer of Los Angeles, former noted Berkeley police head, by Chief of Police C. L. Collins, who previously had obtained information as to the location of the young electrician after his flight from this city.

The youth is alleged to have purchased an automobile from the Clifton Motor Company on time payments, declaring at the time that he had permanently established his residence and business here. After making the initial payment on the car, it is said, he skipped out, taking the machine with him.

The automobile has been returned to Guy Clifton, while formal charges of embezzlement were filed against Perry in the court of Justice of the Peace Ray Griffin.

SAN MATEO STUDIO DEAL CONSIDERED BY MOVIE CHIEFS

Stockholders of the Pacific Studios in San Mateo at a meeting this week were considering the invitation of the Three Cities Chamber of Commerce to bring to northern California two of the best known directors in southern motion picture circles under the banner of Starrett Ford, production manager for Mary Pickford and Douglas Fairbanks.

Ford admitted that negotiations were already underway for his engagement as manager of the Pacific Studios, and with him would come Directors, Donald Crisp and Charles Maigne, heading a group of Los Angeles screen stars.

The proposal involves the lease of the Pacific Studios and its enlargement to accommodate 12 producing companies. This, it

WRONG HUNTING LICENSES COST BROTHERS MUCH

(Special Dispatch)

REDWOOD CITY, Jan. 10.—Failure to secure the proper form of hunting licenses cost Joseph Macalliff and Calie Macalliff, brothers, \$25 and \$10, respectively, in Justice Ray Griffin's court here Friday. The former admitted he should have secured a license for aliens with first naturalization papers. The fines represent the amount they should have paid for their licenses, which were also revoked.

PLANS FOR DECORATING UPPER GRADE ROOM AT MENLO ARE CONSIDERED

MENLO PARK, Jan. 10.—Further plans for the decoration of the upper grade room were proposed at the meeting of the Las Lomas Parent-Teacher Association at the school house Friday afternoon. The association will not be asked to lend \$75 to the district committee for the recent improvements of the upper grade room as expected, it was made known.

Mrs. E. O. Robinson, chairman of the child hygiene committee, said that the committee had been quite successful in the furnishing of articles needed by the school in making the recent lunch arrangements for the children.

After this report Miss L. M. Self answered the questions of the mothers present. The subjects discussed by her were diphtheria tests and the plans for school lunches in the schools. She informed them that immunity from diphtheria does not come until three months after the treatment, and that poisoning or heart trouble after the treatment was due to the disease and not to the treatment.

The next meeting of the association will be held on Friday, February 1, and will be in charge of Mrs. J. O. Whiting, chairman of the committee on music.

DEPUTY MCGOVERN APPOINTED SHERIFF

Successor to Lampkin Has Long Experience as Officer of Peace

(Special Dispatch)

T. C. McGovern is now the sheriff of San Mateo county.

Fate and the decree of the San Mateo County Board of Supervisors made him such Monday morning.

Deeming it advisable that a sheriff be immediately named to succeed the late Sheriff H. W. Lampkin, who passed away earlier in the day, the board members at 10:30 o'clock went into session and a few minutes later had named the new sheriff.

McGovern had previously filed formal application for the position. Motion for the appointment of McGovern was made by Supervisor John MacBain and was seconded by Supervisor Thomas Hickey. All of the members of the board concurred in the appointment.

McGovern was sworn into office before County Clerk Elizabeth M. Kneese, District Attorney Franklin Swart and City Recorder Albert Mansfield, immediately following ratification of the appointment by the supervisors.

The new sheriff has been a resident of San Mateo county for more than 20 years past. He was formerly connected with the county recorder's office here. As undersheriff for the past year under Sheriff Lampkin, McGovern has become entirely familiar with the handling of the affairs of the office which he today assumes.

(Continued From Page 1.)

tions following injuries incurred in an automobile accident on Middlefield road on December 22. Internal hemorrhages, which had occurred at intervals since Saturday evening, with their resultant loss of blood, were the direct cause of death, physicians in attendance stated.

Within less than six hours after the passing of Sheriff Lampkin, his undersheriff, T. C. McGovern of Redwood City was named sheriff of San Mateo county, for the remaining three years of Lampkin's unexpired term, the appointment being made by the board of supervisors.

Died for Duty

While Sheriff Lampkin was never, at any time since his accident, able to account for its occurrence, the theory that he catapulted into a telephone pole on Middlefield road, just inside the city limits of Palo Alto, while in pursuit of an automobile which was attempting to elude him, has been generally accepted, witnesses having seen another car traveling at a 50-mile an hour rate just ahead of the sheriff as he struck the telephone pole on attempting to make a slight curve in the road.

Scarcely since the night of the injury had Sheriff Lampkin been alone, fellow officers or friends being constantly at his side, night and day. At his bedside this morning when death came were County Purchasing Agent Ernest Werder and Henry Beeger. Through the night they had seen death slowly overcome the resistance of their friend, claiming Lampkin at just 5:15 o'clock this morning.

Members of Sheriff Lampkin's family, including his aged mother, who had come to his bedside from her home in San Jose, had been with him up to midnight last night. Surviving Sheriff Lampkin, besides his widow and his aged parents, are 3 children, Miss Nyda, Douglas and Arthur Lampkin.

Miss Nyda Lampkin is scheduled to be graduated from the San Jose State Teachers' College this month and her father had but recently purchased for her a beautiful diamond ring. When placing the ring in his safe at the county jail until the time of his daughter's graduation, the sheriff had remarked to Under-sheriff McGovern: "I have put my daughter's name on this box, so that if anything happens to me you will know that it is hers."

Had Active Life

Sheriff Lampkin was taken by death in the very prime of an active life. He would have been 48 years of age next Saturday.

Born in San Jose, the sheriff received his education in that city. As a young man he went East, later residing in Mendocino county. He came to Redwood City in 1907, taking up his trade as a baker.

In 1910 he was elected justice of the peace for the Redwood City township, serving one term. He acted as undersheriff under Michael Sheehan for two full terms, and was himself elected sheriff in the fall of 1922 after one of the most bitterly contested elections in years.

Sheriff Lampkin, during his first year in office, had made an enviable record as an officer and had figured prominently in the arrest and conviction of the slayers of Chief of Police Thomas Meahan of San Bruno.

The sheriff had been active in fraternal life, being a member of the Odd Fellows, Elks, Native Sons and Eagles lodges.

RIGGINS HOME IN SAN MATEO AGAIN IS BURGLARIZED

Burglars who some time Wednesday night of last week entered the home of Ed S. Riggins, publisher of the San Mateo News-Leader, secured loot valued at on excess of \$700, according to information given police and sheriff's authorities.

Clothing and jewelry made up the principal loot, both men's and women's garments being taken by the burglars, who gained entry to the home by forcing a rear door. The home was completely ransacked.

It was the second time that the Riggins home has been burglarized, silverware valued at \$300 having been stolen on a previous occasion. While apparently seen by the burglars last night, silverware valued at even more than that previously stolen, was left untouched, despite the fact that it was wrapped and formed easy loot.

CONSTABLE NAMED TO SUCCEED LATE MARTIN WALSH

James Logan Is Given Office in Township; Widow of Justice Lamb Named

(Special Dispatch)

REDWOOD CITY, Jan. 10.—James Logan, for the past 12 years head of the San Mateo county traffic squad, was on Monday named constable for the third township, succeeding the late Martin H. Walsh, at the regular meeting of the county supervisors in the courthouse here.

At the same time, Mrs. Josephine M. Lamb, widow of the late Justice of the Peace Porter E. Lamb of San Mateo, was named as successor to her deceased husband. But a few moments before, the supervisors had named T. C. McGovern sheriff of San Mateo county, making three appointments of officers of the law as the result of vacancies caused by deaths within the past month.

Constable Logan is widely known throughout San Mateo county. He has resided in Menlo Park for approximately 20 years and has been active as a peace officer while in charge of the county's traffic squad.

For the past 14 months Logan has acted, with fellow members of his squad, without receiving compensation for his duties from the county.

He will serve an unexpired term of three years.

Ratification of Logan's appointment was made by the supervisors on motion of Supervisor John MacBain.

Appointment of Mrs. Lamb as justice of the peace for San Mateo was made on motion of Supervisor Rosalie M. Brown of that place.

Unanimous vote of the board was given in endorsement of both appointments.

BEHREN'S SUCCESSOR ON SCHOOL BOARD IS APPOINTED BY CLOUD

Leonard H. Brown was appointed to the board of trustees of Sequoia Union High School District for the remainder of the term of the late L. P. Behrens by Superintendent of Schools Roy W. Cloud upon receipt of a petition for his appointment. Brown is a resident of North Palo Alto.

You Can Buy a MAXWELL for \$350 down

\$55.00 per month on the twelve-month payment plan—

or You can turn in your own car and we will allow you the San Francisco market value of same—

and with an additional payment of \$200.00 down you can arrange your payments on a twelve months' basis as low as \$40.00 per month and thereby have the car paid for in one year.

For illustration—

A man wants a medium weight four-cylinder car and now has a small car or a light six worth \$250.00 on the market. He turns in his old car with an additional \$200.00 down and this allows him to pay the balance in one year at \$45.00 per month. He rides in a new car and, in 90 per cent of all cases, he has LESS EXPENSE (including the payments on the new car) to meet than if he hung on to the old wreck.

Call in and see the new MAXWELL Standard Touring now on our floor. Also let us refer you to some local people who own MAXWELLS.

Giving the Telephone Life

WHEREVER your thought goes your voice may go. You can talk across the conti- nent as if face to face. Your tele- phone is the latch to open for you any door in the land.

There must be the guardians of the wires to keep them vital with speech-carrying electrical currents. There must be those who watch the myriads of tiny switchboard lights and answer your commands. There must be technicians of every sort to con- struct, repair and operate.

There is the web of wires. The many switchboards. The millions of telephones. All are parts of a country-wide mechanism for far-speaking. The equipment has cost over two billion dollars, but more than equipment is needed.

A quarter of a million men and women are united to give nation-wide telephone service. With their brains and hands they make the Bell System live.

BETTER CAR SERVICE NEEDED

People of South San Francisco Should Demand Improvement From Local System

With hundreds of persons entering South San Francisco on the six working days of a week and returning to their homes every evening, it is essential that transportation facilities be as near right as possible. Not infrequently complaints are heard regarding the street car service in South San Francisco. These complaints come from all sources—the rank and file of the citizenry of South San Francisco.

Without entering into the possible excuses for such an inconvenience, it is far from good service when passengers on a South San Francisco car, bound for the junction, are obliged to gaze upon the infuriating spectacle of a Market street trolley, "just missed," speeding toward San Francisco. The period of waiting which follows gives opportunity for thoughts which must be tinged with the hope that eventually such an important junction will afford patrons a direct "off and on" service—off of one car and on to the other.

The people of South San Francisco have been inconvenienced long enough by this incessantly poor service of the local street car system. Improvement should be demanded—and given.

VOTERS, BE ON THE LOOKOUT

A Disguised Measure Aimed at Private and Denominational Schools Is Likely to Appear

Voters of California must be on their guard this year to prevent a sinister law being slipped under the guise of "progressive educational legislation." It will be remembered that two years ago the plan of a certain element to have a measure put on the ballot aimed at the destruction of private and denominational schools failed. But the campaign, of which the California effort was but a part, is proceeding elsewhere. Oregon already has passed such a law. And in Washington and Michigan a similar bill is being proposed. It is believed also that the same movement will be revived in California this year.

The bill as framed provides that all children of certain ages shall attend public school. To many persons the force of the word "public" is lost. They look upon the proposed legislation as merely a plan to insure that all children are sent to school. But no such law is necessary of passage now in California. There is already a compulsory school attendance law in this State which recognizes the legitimacy of the private and parochial schools. The real purpose of the new bill is to destroy the private and denominational academies.

All these institutions have their proper place in the educational system, and should be preserved. The right of parents to select the schools which their children may attend also should be protected.

Be on the lookout for this vicious piece of legislation, and defeat it when it comes up.

HUNDREDS VISIT PUBLIC OPENING OF NEW BAKERY

"The Home of Harvest Bread" became the temporary home of several hundred persons who assembled in the new South San Francisco Bakery Saturday night to participate in the entertainment which was provided in connection with the formal opening of the establishment. Music, dancing and refreshments were on the program, which also included an inspection throughout the bakery.

Visitors were escorted through the plant and told how dough is mixed, weighed, rounded, proofed, moulded and placed in pans ready for baking. Modern machinery, three large brick ovens, the large garage and the attractively painted delivery cars were features of the exhibit.

The equipment of the bakery insures quality and uniformity according to V. Boldo and B. Damele, the proprietors. The bread is wrapped by an automatic wrapper, thus insuring cleanliness. Several firms sent "good luck" bouquets to the new bakery. Visitors from many points of the Bay district were present.

TIME TO REGISTER AUTOS DRAWS NEAR

The subject of automobile registration for the new year is being discussed at garages in South San Francisco this week. Among the outstanding rules are these: Registration of motor vehicles for 1924 will begin at all branches of the Division of Motor Vehicles on Monday, January 14.

Every owner of a motor vehicle will be required to register. A flat fee of \$3 will be charged for registration of pleasure cars. Fees for commercial vehicles will be based on a weight schedule and the character of tires used. All registration fees are due

Little Finger Is Valued at \$5,000 In Court Action

REDWOOD CITY, Jan. 10.—W. Walker, Burlingame resident, places the valuation of his little finger at \$5,000.

This amount, at least, is sought by Walker in a suit filed here today against the Wells Fargo Bank and Union Trust Company of San Francisco, in which he alleges that the little finger of his right hand was permanently disfigured as the result of an automobile accident involving a machine owned by the defendant corporation.

The accident is alleged to have occurred in Burlingame on November 6, last year, Walker contending that negligent operation of one of the bank's automobiles by one of the corporation's employees resulted in the machine striking his own car and injuring him. No other injuries than the disfigured finger are cited.

and payable January 31. Fees become delinquent 30 days later, when the owner is liable to a penalty of 100 per cent.

Applications should be accompanied by the amount of the fee and the old certificate. The name and address should be legible. A division of the office is located in San Francisco.

Mail bags of different colors to represent different states are to be used to hasten sorting of parcel post packages, according to plans of the United States postal department.

Little Finger Is Valued at \$5,000 In Court Action

REDWOOD CITY, Jan. 10.—W. Walker, Burlingame resident, places the valuation of his little finger at \$5,000.

This amount, at least, is sought by Walker in a suit filed here today against the Wells Fargo Bank and Union Trust Company of San Francisco, in which he alleges that the little finger of his right hand was permanently disfigured as the result of an automobile accident involving a machine owned by the defendant corporation.

The accident is alleged to have occurred in Burlingame on November 6, last year, Walker contending that negligent operation of one of the bank's automobiles by one of the corporation's employees resulted in the machine striking his own car and injuring him. No other injuries than the disfigured finger are cited.

MACHINE SHOP COURSE OFFERED

A course in Machine Shop practice for anyone who desires to perfect himself in the use of the ordinary shop machines such as lathes, shapers, milling machines and drill presses has been arranged through the University of California Extension Division, to start during the week Monday, January 17, in San Francisco.

In this course the individual method of instruction is followed throughout and students who enroll in this way get the personal attention of the instructor whenever it is required. The class meets on Mondays and Wednesdays for two hours for a period of ten meetings in the machine shop of the San Francisco Polytechnic High School. Ralph B. Weaver is the instructor.

Additional information may be secured at 140 Kearny street in the Sutter Hotel Building.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

of The Enterprise, published weekly at South San Francisco, Calif., for January 1, 1924.

State of California, County of San Mateo, ss.
Before me, a notary public in and for the State and county aforesaid, personally appeared George F. Morell, who, having been duly sworn according to law, deposes and says that he is the publisher of the Enterprise and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:
Publisher, George F. Morell, Palo Alto, Calif.; editor, Carroll Hall, Palo Alto, Calif.; managing editor, Carroll Hall, Palo Alto, Calif.; business manager, Dean J. Coover, South San Francisco, Calif.

2. That the owner is George F. Morell, Palo Alto, Calif.
3. That the known bondholders, mortgages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: None.
4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and that affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

Sworn to and subscribed before me this 3rd day of January, 1924.

MUTUAL AID ASS'N SETTLES CLAIM PROMPTLY

Election Postponed Until January 19; Smoker Is Planned

The Employees' Mutual Aid Association of the Western Pipe and Steel Company paid a claim of A. Benson, who passed away on the morning of January 3, the check being delivered to his widow the afternoon of the same day. This makes the fifth death claim paid by this organization since its institution.

ELECTION POSTPONED

The semi-annual election of officers of the Association will be held Saturday, January 19, instead of January 12, as previously stated.

SMOKER PLANNED

A committee composed of John Mirati, chairman; James Root and Elmer Costa has been appointed to make arrangements for a smoker the night of the election. Plenty of good smokes and entertainment will be provided for those attending.

FOOD FACTORY TO DOUBLE OUTPUT, IS BELIEF

Sixty Persons Employed Now at Fontana Food Products Company

Predicting that the output of his factory will double itself during 1924, L. A. Podesta, vice president of the Fontana Food Products Company, this week declared that during the six months the establishment has been in business, a steady increase in production has been noted.

The Fontana Food Products Company manufactures all kinds of Italian food pastes, such as macaroni, spaghetti, vermicelli and noodles.

At the present time there are approximately 30 men and 30 women employed at the factory here. New employees are constantly being added, according to Podesta, who said that persons living in South San Francisco were given preference.

Podesta spoke in favor of any sound campaign which would assist workingmen in obtaining land and a home at fair prices. "The man who has a home is generally more dependable than the person who is here today and gone tomorrow," he said.

M. E. Fontana is president of the Fontana Food Products Co.

Welfare Club to Elect Officers; Clubhouse on 1924 Program

The loading and shipping docks of the Western Meat Company's plant are being enlarged considerably to provide more adequate facilities for movement of the company's products by automobile transportation.

Welfare Club Active

The employees of the Welfare Club of the Western Meat Company will, at their next meeting, elect officers and a board of directors for the coming year. At this meeting there will also be outlined the program of activities, both social and constructive, which will occupy the attention of the membership.

One of the most important and interesting things will be the effort during 1924 to have a new modern clubhouse erected in some central location in South San Francisco.

"Baby Beef" Attracts

The "baby beef" purchased by the company from the University Farm at Davis just before the holidays was much in demand by the trade. The animals were killed at the local plant and dressed in Christmas garb. They were pretty to look at and received much favorable comment.

Maynard Is Better

George L. Maynard, foreman of the by-products department, who has been seriously ill for a considerable length of time, visited the plant last Monday. Maynard, an old resident of South San Francisco and long in the service of the company, showed a marked improvement in his condition, which was noted with pleasure by his friends.

BOWLING ALLEYS ARE PLANNED FOR SOUTH CITY

A welcome piece of news to bowlers in South San Francisco was the announcement made here recently to the effect that Mattle and Duffy, proprietors of a billiard and pool parlor at 211 Grand avenue, have made plans for the installation of two alleys in their place of business.

By moving the billiard table to one side, adequate space will be provided for two alleys. It is expected that the work of constructing them will begin in two weeks or so, and the alleys will be ready for use sometime early in February.

A number of creditable bowling teams have been organized in the industrial zone, it is said, but heretofore the players have of necessity gone to San Francisco for their sport. The convenience of the location of Mattle and Duffy alleys is expected to add greatly to their popularity.

13,572 SHIPS VISIT, LEAVE S. F. IN 1923

Ships arriving and departing from San Francisco during 1923 totaled 13,572 thereby shattering all traffic records of the port and materially swelling prosperity gains.

J. M. Daily, Manager of the Marine Department of the Chamber of Commerce, in compiling his annual report, shows that the 13,672 vessels represented 29,602,789 tons.

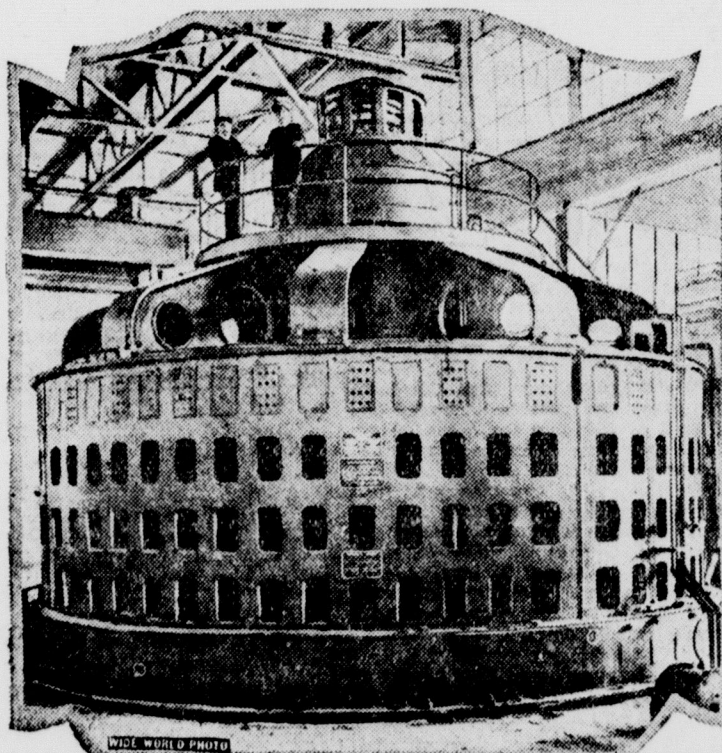

Compared with 1922, which held the high mark until the unprecedented activity of 1923 dimmed its light, the year just ended gained 2100 ships. Arrivals and departures in 1922 numbered 11,472.

In the tonnage movement, 1923 shows an increase of 7,040,561 tons over the movement of 1922 which registered 22,562,228 tons.

Marked increases are made in every classification of commerce, such as arrivals from foreign ports, arrivals from American, other than Coast ports, which covers the intercoastal traffic, and arrivals from Pacific Coast ports.

\$175 IN FINES FOR VIOLATION OF GAME LAWS

(Special Dispatch)
REDWOOD CITY, Jan. 10.—Bruno del Cradici of San Francisco, together with Angelo Benedetti, also of San Francisco, paid fines aggregating \$50 each to Justice of the Peace Ray Griffin here, following their entry of pleas of guilty to charges of shooting non-game birds and hunting without a license. The charges were preferred by Game Warden Jack Burke.

G. P. Pedesto of 838 Vallejo street, San Francisco, added \$50 more to the court coffers, in his instance for violation of laws pertaining to abalone fishing by having undersized abalones and more than the limit of the same in his possession when nabbed by Warden Burke.

M. Maffei paid \$25 fine to the court for taking abalones undersized, completing the day's court profits.

Plan Whist Party

A whist party will be given by the senior class of the South San Francisco High School Saturday evening, January 12, at Fraternal Hall. The games will begin at 8:30 o'clock. Tickets are on sale at 25 cents each. The public is invited to attend. The proceeds will go toward the publication of "Iris," the school annual.

High Juniors' Play

The class of December, '24, has selected "Nothing but the Truth" as its class play, and will present it with the next month. The rehearsals have already begun. This play is being staged in three acts, based upon the firm determination of a young man to tell nothing but the truth for 24 hours, and the difficulties which arise over his decision.

Student Body Meeting

The meeting was called to order by President A. Aylsworth, the minutes were read and accepted and the treasurer's report was heard. The new constitution of student self-government will be put in force this semester, and in consequence new officers must be elected. After considerable discussion it was decided to appoint a nominating committee to select candidates. The selections will be made known at a special meeting next Monday.

The executive board gave its report on the question of whether or not the 110 and 120-pound basketball teams were eligible to accept their block letters. It was decided that Junior High members will not receive their blocks until they enter high school.

Miss Clifford gave a report on the girls' unlimited basketball team. The team has been undefeated for two years. Blocks and stars were awarded to the members.

Faculty vs. 130's

When Business Manager "Crip" Wallace received a letter from the William Warren School asking him to postpone their game, the faculty asked if they might play the 130-pounders on the date set for the former game. The fellows were only too glad to get even with some of the teachers who had given them a "5," but when the final whistle blew the score stood 21 to 17 in favor of the instructors.

Score by quarters:

Faculty 8 10 15 21—21
130's 7 14 15 17—17

Win Championship

The Blue and White girls' team won the league championship by defeating Mountain View on the latter's court, 69 to 8. Miss Hinkins of San Mateo refereed. The team was made up of the following girls: Zilpha Dunlap, Sylvia Thomas, forwards; Laura Baldini, Elizabeth Coffinberry, guards; Marian Fischer and Genevieve Schmidt, centers; Helen Fischer, Cecelia Carmody, Mary Dymtryk and Myrtle James, substitutes.

Defeat San Mateo

After a hard fight with San Mateo on their court Friday afternoon, the South City girls' basketball team emerged with another victory to its credit. The contest was very fast. The teamwork of the local players was excellent. The score was 24 to 17. Miss O'Neill of San Jose refereed the game.

Veteran Player

Mr. Schott, a great basketball player and one of the official referees of the Rocky Mountain Conference, and incidentally, the captain of the football team of which Mr. Hunter was a member at Stought University, gave the South City boys a few pointers in basketball recently.

SPECIAL SERMON SERIES PLANNED

Beginning Sunday morning in St. Paul's M. E. Church Rev. Asa P. Beall, the pastor, will preach the first of a series of sermons upon great doctrinal questions. His first address will treat of "The Incarnation." Later he will speak on "The Atonement," "Immanuel," "The Deity of Jesus" and other vital themes such as are attracting great attention today because of much late heretical utterance. The Virgin Birth and the Immaculate Conception will receive vigorous consideration next Sunday morning. The public is invited to hear these addresses.

WORTH OF NEW MAXWELL TOLD

The new Maxwell automobile now on display at the Reliance Garage is the best model that has yet been turned out in the history of the car, according to Dumond and Nolan, the proprietors.

The reason for this, it is declared, is because the Maxwell manufacturers incorporate the latest mechanical improvements at once without waiting to turn out a new model.

Tests have shown that the cost of upkeep on repairs as based on a unit of 350 cars for a period of one year was \$152 per car, the dealers say.

So far as the experience of the local shop is concerned, it has not been necessary to repair a rear end or axle or wheel bearing on any late model Maxwell, demonstrating, in the opinion of Dumond & Nolan, the sturdiness and reliability of the car.

LYNCH FUNERAL TODAY

Funeral services for the late Dennis J. Lynch, former deputy assessor of Halfmoon Bay, will be held today in Oakland. Services will commence at 9:30 o'clock at 1033 62nd street, thence to St. Columba's Catholic Church, where requiem mass will be celebrated for the repose of his soul. Interment will be at St. Mary's Cemetery, Oakland.

Food Must Make Good the Loss!

Sleeping or waking—our body tissues are slowly wasting away

The body demands food for the repair of these worn tissues, as well as for heat and energy.

Bread is the one food that meets all these needs. That's why it should form the backbone of every meal.

Bread is a fuel food—the very best—and it is just as effective as a tissue-builder. Scientists and food experts are constantly telling us that it more nearly supplies all the needs of the body than does any other food.

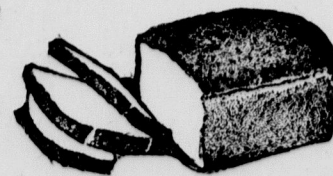

Harvest Bread

is, in the real sense, the true staff of life. It is made from flour of highest excellence, which brings to you the very heart of the nourishing wheat berry. And every other ingredient used is up to the same high standard of purity.

To get quality, insist upon it at your grocer's.
